

## **School on End-Times**

*Matthew 24:3: "And what will be the sign of Your coming, and of the end of the age?"*

Can we tell when the end of the age will occur, and what will happen when it comes? In those days, will the Church experience a time of terrible persecution at the hands of a very real Anti-Christ? More importantly, how should we prepare ourselves for the coming Day of the LORD as described in Joel 2:11? These questions have profound implications for every person living in the generation when Jesus returns!

This School introduces believers to core topics that they will need to know about End-Times, so that they can know God's heart, make sense of what is happening around us from the Word of God and rise up to be the Voice God in such a time as this, wherever God has placed them - church, workplace, community...
