The **Sermon on the Mount** is the “constitution” of God’s Kingdom. It is the Kingdom lifestyle that God “requires” from all believers! It is the litmus test to measure our personal faith and our ministry effectiveness.

We need to measure our personal lives and our ministry by how we and our disciples walk out the core values in Sermon on the Mount. The Sermon on the Mount should be the most emphasized theme in the teaching ministries in the Body of Christ. This is a weighty and “unpopular” message that describes the lifestyle of all true believers!
